

# Moosehide Village Visitor Permit

*Tr'öndëk Hwëch'in P.O. Box 599 Dawson City Yukon Y0B 1G0 867-993-7100*

Moosehide, located approximately 5 km downriver from Dawson City, is a traditional village site that was inhabited by the Tr'öndëk Hwëch'in after displacement from Tr'ochëk at the turn of the century. Most full-time residents moved to Dawson in the mid-1950s. Several families maintain cabins in the village and visit the site regularly. It is also used to host the bi-annual Moosehide Gatherings and a variety of special events and cultural activities. Although Moosehide is a private village, Tr'öndëk Hwëch'in welcome visitors and hope that you will enjoy and respect this important site. Please visit our Heritage Department if you would like additional information. Mähsi Cho. Big Thanks.

In consideration of Tr'öndëk Hwëch'in granting me permission to visit Moosehide Village I, \_\_\_\_\_, agree to abide by the following conditions:

- I will respect the privacy of the residents at Moosehide and will refrain from entering any buildings on site.
- I will respect the Moosehide cemetery and grave sites.
- Out of respect for Tr'öndëk Hwëch'in and in accordance with the Tr'öndëk Hwëch'in Final Agreement and the Yukon Historic Resources Act, I will not disturb or remove any artifacts from the site. If, in this course of my visit, I discover any artifacts I will note their location and immediately notify Tr'öndëk Hwëch'in's Heritage Department.
- I will not be in possession of, or under the influence of, any illegal substances, including alcohol and/or drugs, while visiting Moosehide.
- I will be responsible for my own food, water, and transportation.
- I will use provided garbage containers or will pack out any litter that I may bring to the site.
- I will produce this permit if asked to do so while visiting Moosehide.

My visit is entirely at my own risk. Tr'öndëk Hwëch'in will not be liable for any accident or injury which may occur while I am visiting Moosehide or using the Moosehide Trail.

Signed:
